

**MOTION BY SUPERVISOR YVONNE B. BURKE**

**FEBRUARY 6, 2008**

Since the cross-over vote issue came to the Board's attention subsequent to the agenda being posted and requires immediate action and because of the results of yesterday's election are currently being tabulated, pursuant to Government Code section 54954.2(b), I move that the Board approve this motion today.

**I, THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:**

Instruct the Registrar-Recorder/County Clerk to take all steps necessary as authorized by law, including but not limited to working with the Secretary of State, to ensure to the greatest extent possible that non-partisan votes are counted where the voter's intent can be clearly ascertained and where the voter attempted to cross-over and affiliate with either the Democratic or American Independent Party, but may not have completed the ballot by marking an additional bubble relating only to party affiliation.
